Category+	Class	Description
Pool	Aqua Aerobics	This class will help you shape muscle & burn calories by using the water as resistance. Aqua noodles and underwater weights are used to increase intensity. Try Aqua Easy if you are looking for a more comfortable pace for rehabilitation, pre & post pregnancy.
	Deep Water Aqua	Increase the intensity in the deep end of the pool, prepare to be challenged in a floating environment. Build muscle tone and cardiovascular fitness using the water as resistance
	Warm Water Aqua	Warm Water Aqua is a form of treatment conducted in a heated pool to help regain or enhance physical wellbeing. Exercises are a series of gentle movements performed in a pool maintained at 31 degrees to 32 degrees Celsius.
Gentle Exercise	Gentle Circuit	A low impact senior's class for those who prefer a slower pace or are recovering from injury. Gentle Circuit will incorporate light resistance training combined with cardio for an invigorating yet safe full body workout to strengthen and tone.
	Pilates	Targets the deep postural muscles within the body; the abdominals, pelvis, back, shoulders & buttocks. A form of simple yet precise, controlled postures, concentration & breathing to enhance postural alignment, coordination, strength & flexibility.
	Express Stretch	This 30 minute is designed help improve your range of movement and iron out any stiffness you may have from your activities of daily life. A range of floor work provided under the watchful eye of an instructor to help you get the most out of your stretching.
	Stretch	A comprehensive class to help improve your range of movement and iron out any stiffness you may have from your activities of daily life. A range of floor work provided under the watchful eye of an instructor to help you get the most out of your stretching.
	Swiss Ball	Utilising a Swiss ball in your workout provides a unique opportunity to challenge your core stability with every exercise. You will develop a stronger core, improved tone & overall strength, co-ordination, better posture & body alignment.
	Yoga	A combination of breathing exercises, physical postures and movements utilising the entire body and meditation of the mind that has been practiced for more than 5,000 years. The practice of yoga leads to flexibility, strength and balance of both body and mind systems. Classes are tailored to all levels.
Medium Intensity	Metabolic Pump	A cross training workout using cardiovascular, bodyweight and weighted exercises to add variety to your routine and keep your body guessing. This workout will get you sweating to a high energy soundtrack.
	Zumba	It's an exhilarating, effective, easy-to-follow, Latin-inspired, calorie-burning dance fitness- party™ that's moving millions of people toward joy and health. Dance your way to cardiovascular fitness, fat loss and muscle toning.
High Intensity	Fast Track	A different workout each time, this will challenge and fatigue the whole body. With a variety of instructors and styles this class will mix hiit, resistance, conditioning, cardiovascular and core training into one workout
	Boxercise	Requires own boxing equipment - a high energy outdoor workout using boxing style exercises and utilising boxing equipment. Involves cross training with resistance training, cardiovascular training and core work
	Bootcamp	Resembling a military boot camp, this is a rigorous outdoor group fitness session where you will be pushed past your limits. Expect a combination of circuits, interval, cardiovascular and strength training including boxing and sprints in a park setting.
	Trainers Choice	This class will range from 30 to 45 minutes and what goes on is up to the trainer. Expect anything and that your body will be kept guessing every week.
